

## LINCOLN LOCALS.

Miss Genevieve Riggle is out in the mountains picnicking with Dr. Cowart and family.

Mrs. John A. Haley, of Carrizozo, was here several days during the past week visiting friends.

Wm. F. A. Gierke and J. E. Koonce explored the high hill tops and its adjacent territory last Sunday morning right after breakfast.

The best shower of the season came upon Lincoln last Sunday night, continuing for 35 minutes and flooding the town and vicinity, soaking the ground several inches.

Postmistress Mary A. Walters celebrated her birthday last Sunday at the Lincoln hotel and received quite a number of handsome and useful presents from her many friends.

Ed Parham, formerly clerk of the district court at Hot Springs, Ark., and one of the best and most widely known prominent citizens of Central Arkansas, is now stopping at the Lincoln Hotel for a few months' rest. Mr. Parham was obliged to resign his position on account of failing health.

Bring your butter and eggs to us; we pay the highest market prices for all kinds of produce.—The Carrizozo Trading Co.
